

AFLAC Insurance

Kentucky Wesleyan College offers employees a number of voluntary supplemental insurance policies through AFLAC. AFLAC insurance is designed to help employees pay out of pocket costs not covered by medical coverage, such as deductibles, co-payments, loss of income, travel costs, etc. All AFLAC benefits are paid directly to the insured, over and above any other insurance.

Policies available include:

- SHORT TERM DISABILITY INSURANCE
- LONG-TERM DISABILITY INSURANCE
- HOSPITAL INTENSIVE CARE INSURANCE
- HOSPITAL CONFINEMENT INDEMNITY INSURANCE
- ACCIDENT INSURANCE
- CANCER INSURANCE
- LIFE INSURANCE

Through AFLAC, employees can access group rates and have the premiums paid through payroll deduction. KWC does not receive any benefit from offering AFLAC other than being able to make the policies available to employees. If employment with KWC ends, AFLAC plans may be continued at the same group rates and billed to the employee's home address.

If you have any interest in supplemental insurance and would like to learn more about a policy or get a rate quote, please contact the College's AFLAC representative.
