

Quiz over Quotation Marks
PC 1101

Your text lists several times you should use quotation marks. List three:

- 1.
- 2.
- 3.

Place quotation marks where needed in the following sentences:

She smiled and said, Son, this is one incident that I will never forget.

But I can see you're bound to come, said the father. Only we ain't going to catch us no fish, because there ain't no water left to catch 'em in.

Eudora Welty, "Ladies in Spring"

Alice Walker's *Everyday Use* is about more than just quilts. [short story]

The *Nature* episode Echo of the Elephants portrays ivory hunters unfavorably. [episode of a television program]

In social science, the term *sample size* means the number of individuals being studied in a research project.

The banquet consisted of dried-out chicken and canned vegetables.

Mother smiled and said that she was sure she would never forget the incident.
